The workshops listed above will be open to all ages (including adults). An intermediate workshop requires a good understanding of the basics of the discipline and is not suitable for beginners. The workshops will have a sign-up sheet at the Registration desk and will be on a first come, first served basis. Some will be focused more towards youth, others will be open to all. Participation will be at the discretion of the workshop leader who will have to cap numbers on certain disciplines.

Offers of further workshops welcome, please contact the Registration Desk
